CAMOUFLAGE MAKE-UP

Camouflage make-up assists individuals to hide blemishes, scars, scar tissue, under their eyes, birthmarks and even tattoos.

MATURE MAKE-UP

Mature make-up assists mature individual with make-up that is homely, does not come across as overly heavy and assists with showcasing features to assist with a younger complexion.

DAY MAKE-UP

Day make-up is for daily wear at home and less formal day-to-day tasks and events. The make up is streamlined, simple yet elegant and perfect for joining your friends for a quick breakfast or lunch.

EVENING MAKE-UP

Evening make-up focuses on event specific occasions such as work functions, matric farewells, red-carpet events and special events e.g. being a bride's maid.

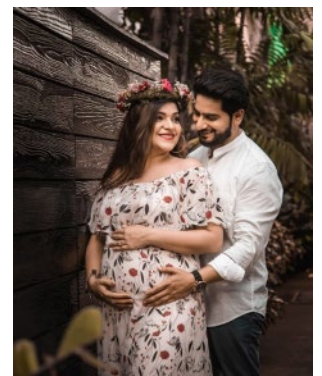

BRIDAL MAKE-UP

We specialise in make-up for brides, ensuring her special day is a day to remember. Highlighting the best features of the individual, suited to the dress, theme and the bride's personality.

PHOTOGRAPHY MAKE-UP

Photography make-up looks at make-up for individual portraits, or group photography such as family, couple, maternity or model shoots. We also specialise in themed make-up for shoots and events.

RAMP MAKE-UP

Ramp make-up focusses on all catwalk related modelling. This type of make-up is bold, and clothing/theme specific ensuring that the audience experience the make-up and an enhancement to the clothing worn on the ramp.

CORRECTIVE MAKE-UP

Corrective makeup is a technique by which the makeup artists use combinations and permutations of colours and shades to highlight or shadow one's facial features, creating an illusion of balanced and proportional features.
